**Kustom Design Strategies Inc. launches new service**

*In efforts to provide clients with more options to succeed financially, KDSI now provides CanEquity Mortgage services*

Calgary Alberta (September 1, 2010) – Kustom Design Strategies Inc. has collaborated with CanEquity Mortgage and is now offering clients comprehensive mortgage consulting services.

Recognized for being a national Canadian mortgage brokering company that provides Canadians with mortgages that have the best rates in Canada, CanEquity has access to over 75 major lending institutions across Canada and is able to offer home loans in all provinces and territories, as well as Lines of Credit and commercial lending.

Focusing on providing distinct client service and extensive expertise and education, Kustom Design Strategies Inc. has extended its services to provide clients with the service and mortgage options needed at the best rates possible while shopping the mortgage market.

The majority of CanEquity's mortgage services are provided for free by the company's mortgage brokers, who are all qualified and licensed independent professionals.
