Kustom Design to Hold Mission Life Event This Month

Kustom Design, Mission Life Financial and Madone Financial pay tribute to donors making a difference in the lives of those in need

January 21, 2011 (Calgary, Alberta) – The Kustom Design Group of Companies, along with Mission Life Financial and Madone Financial, will be hosting a Donors Appreciation Night, taking place this month, to recognize and celebrate the significant milestone that has been reached through the generosity of their donors.

In 2010, over 900,000 treatment units of HIV/AIDS medicines were pledged to charity through the Mission Life Program. Kustom Design CEO, Michael Lepitre is both excited and proud of the efforts made by the donors, and encourages everyone to attend the Donor Appreciation Night.

“Family and friends are all welcome to this celebratory night, which is filled with inspiring honours that emphasize just how much every donation is making a difference in the lives of those in need,” he said.

The Mission Life Donors Appreciation Night will feature a complimentary dinner, and inspiring tributes will be made to the individuals who contributed to the overall success of the Mission Life Program. The director of Trinity Global Support Foundation will also be joining the event with a short presentation on the charity’s achievements and current activities.

Event: Mission Life Donors Appreciation Night

Date: Tuesday, February 8, 2011
