Calgary, Alberta (January 7, 2011) - Kustom Design Educational is pleased to invite the public to a free information session at the Kustom Design office on 221 18th St. SE in Calgary on January 12 at 7:00 p.m. to introduce clients to its 2011 Level One Financial Boot Camp.

“Our free information session is designed to heighten clients’ awareness on the importance of taking control of finances,” said Kustom Design CEO Michael Lepitre. “It gears them towards the five steps of financial freedom and focuses exclusively on the value of financial education.”

Offering exclusive discounts to attendees, Kustom Design’s free information session will focus on discussing the Level One Financial Boot Camp’s key areas of study, and how the proper tools, skills and guidelines can generate cash flow and excellent returns no matter what state the economy is in.

“People are accountable for their personal finances and the results they see,” said Lepitre. “Our information session is a glance at how individuals can design the life they want to achieve, and Kustom Design is inviting everyone to grab this wonderful opportunity with both hands.”
